Other teaching experiences

I taught Chinese language pedagogy within the Italian Ministry of Education program to train secondary schools teachers at Sapienza, University of Rome, International University of Rome and University for foreign students of Siena. I regularly give lectures within the Ph. D. program “Civilization of Asia and Africa”.

From 2006 to 2011 I taught Chinese language and culture in several high schools in Rome (Liceo linguistico L. A. Seneca, Liceo scientifico Talete, Liceo scientifico Farnesina).

My teaching activities also include a course in Chinese lexicography given at the EACL (European Association of Chinese Linguistics) Spring school of Chinese linguistics in 2014 at Roma Tre University, a course of Chinese for special purposes given at IULM (Libera Università di Lingue e Comunicazione, Milan, Italy) during the academic years 2017/18 and 2018/19, and one week lessons given within the Erasmus staff mobility program at Regensburg University (Regensburg, Germany, July 2018) and at Friedrich-Alexander Universität Erlangen-Nürnberg (Erlangen, Germany, July 2019).

I also taught a course in Italian Culture for Chinese students at College of Design Rome Program Iowa State University (Rome, Italy, July, 2019).

Memberships

Associazione Italiana di Linguistica Cinese (AILC), cofounder and member of the scientific board;

Dissertations supervisor activity

I regularly assist students as supervisor of B.A, M.A, and Ph. D. dissertations. Since my appointment at Roma Tre University in 2010, I've been the supervisor of more than one hundred B.A. and M.A. dissertations whose topics include Chinese linguistics, Chinese as a second and as a foreign language teaching and acquisition, Chinese culture and literature.

Research

A) Publications

My research publications include works pertaining to different fields, all related with contemporary China and Chinese. I have focused my attention mainly on Chinese theoretical and applied linguistics (see publications nos. 1, 2, 8, 10, 20, 21, 22, 25, 26, 27, 31, 34, 36, 38 on theoretical linguistics, nos. 7, 11, 35, 39 on lexicography, nos. 23, 40 on sociolinguistics, nos. 9, 12, 24, 28, 29, 30, 32, 33, 37 on the acquisition and teaching of Chinese). I have also edited some didactic materials (publications nos. 3, 4, 5, 6), as well as published translations and reports on political issues (nos. 16, 41, 42, 43, 44) and published a few articles on Chinese literature (publications nos. 17, 18, 19) and Sino- Italian relations (publications nos. 13, 14, 15).

The evaluation obtained for the publications presented within the national Research Quality Assessment System 2011-2014 (VQR, “Valutazione della qualità della ricerca”) was 1.00 (Excellent). In 2018 I also received the Italian Ministry of Education grant for research activities (3000 €).
